**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
DUE TO USPTO ERROR UNDER MPEP 711.03(C) AND 37 CFR 1.181(a)****MS ISSUE FEE**Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Petitioner hereby petitions the Commissioner to withdraw the holding of abandonment in the Notice of Abandonment mailed on June 14, 2005 due to USPTO error. The Notification incorrectly stated that the Applicant failed to timely pay the required issue fee and publication fee within the statutory period of three months from the mailing date of the Notice of Allowance (PTOL-85).

Relevant Facts

To the undersigned's knowledge and belief, and after making reasonable inquiry into the circumstances surrounding this application, a statement of the relevant facts with respect to this petition is provided below:

(1) Enclosed is a true copy of an executed Form PTOL-85 which was facsimile filed in the U.S. Patent & Trademark Office ("USPTO") on September 20, 2004. A facsimile receipt is also provided.

Application No.: 09/848,255

Docket No.: 21919-00013-US

(2) The above Transmittal included Deposit Account No. 22-0185 authorization for any fees related to this application, including the small entity Publication and Issue Fees of \$965.

(3) The date stamp by the USPTO OIPE on the copy of the PTOL-85 and the facsimile receipt show timely receipt by the USPTO on September 20, 2004, well before the Issue and Publication Fee due date of November 4, 2004.

(4) A copy of the September, 2004 CBLH Deposit Account No. 22-0185 statement is provided as an attachment to this Petition.

(5) CBLH Deposit Account No. 22-0185 was erroneously not charged by the USPTO on September 20, 2004 for the Issue and Publication Fees due for this application. This omission was clearly an error by the USPTO.

(6) CBLH Deposit Account No. 22-0185 had a balance of \$10,050.65 at the end of the day on September 20, 2004, the day the Issue Fee Transmittal was submitted to the USPTO (see attached Deposit Account statement). This amount was more than sufficient to pay the required fees of \$965.

(7) CBLH Deposit Account No. 22-0185 was charged \$300 on September 21, 2004 for the Publication Fee associated with this application, the day after the PTOL-85 was submitted for processing (see attached Deposit Account statement). The Issue Fee of \$665 was not charged to CBLH Deposit Account No. 22-0185, and has not been charged to this date.

(8) To exercise due diligence, the undersigned attorney submitted a "Status Inquiry" on three separate occasions (all attached) regarding the non-receipt of the Issue Notification for this application (see attached Status Inquiries dated December 21, 2004, February 18, 2005, and March 18, 2005). No USPTO response was received relative to these submissions before the receipt of the Notice of Abandonment mailed June 14, 2005.

(9) Lack of response by the USPTO to Applicants' three Status Inquiries is submitted as being USPTO error, and if not deemed to be USPTO error, such deficiency on the part of the USPTO at least does not represent efficient and timely processing and customer service.

Application No.: 09/848,255

Docket No.: 21919-00013-US

(10) The enclosed Notice of Abandonment was mailed on June 14, 2005, and was received by the undersigned attorney shortly thereafter.

(11) The Notice of Abandonment was erroneously delayed by the USPTO, and was not provided to Applicants until almost nine (9) months had expired (September 21, 2004 to June 14, 2005) after the alleged deficiency in the deposit account balance.

(12) The Notice of Abandonment indicated that the Issue and Publication Fees had not been received, and further indicated that there were insufficient funds in the deposit account, so that only the Publication Fee was charged. The statement regarding insufficient funds by the USPTO was in error, as reflected in the attached Deposit account statement for the month of September, 2004, showing an account balance of \$10,050.65 on September 20, 2005.

(13) This petition has been timely filed within two (2) months from the mailing date of the Notice of Abandonment, as required by 37 CFR 1.181(f).

Relief Sought by Applicant

Applicant respectfully requests the following relief:

(A) That the holding of abandonment be withdrawn due to USPTO error as if no abandonment had occurred;

(B) That CBLH Deposit Account No. 22-0185 be charged \$665 for the Issue Fee that was due on November 4, 2004 in this application, if the holding of abandonment is withdrawn;

(C) That the Publication Fee of \$300 paid on September 21, 2004 be applied to this application;

(D) That this application be processed for immediate issue by the Publication Branch;
and

Application No.: 09/848,255

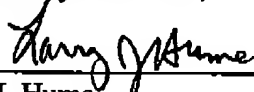

Docket No.: 21919-00013-US

(E) That an appropriate adjustment to the patent term be determined and applied because of USPTO error in order to compensate the patent owner for the delay in issue of the patent.

No Fees are Believed to Be Due

Although no Petition fees are believed to be due in this matter because of USPTO error, if any fees are due, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 22-0185, under Order No. 21919-00013-US, from which the undersigned is authorized to draw.

Respectfully submitted,

By
